We'll be using the Physical Education Building West (PEBW) for all clinic sessions.

Travel: The closest and most convenient airport is PHX, which is about 6 miles west of ASU and a 10 min drive to campus.

A rental car is recommended, but optional. Many of the hotels near ASU offer free shuttles to and from PHX. If you book a hotel near ASU and don't mind walking a few miles a day, you could do without a rental car.

Hotel: We do not have reserved rooms at a hotel, but there are several nearby options if you look at online travel sites.

Parking: Parking is available in the Apache Parking Structure on Apache Blvd, just south of PEBW. On Friday parking will be \$8 and free Saturday and Sunday.

Clinic Details: We'll be sending out final details on start times and location about 1 week prior to the clinic, but we anticipate following the agenda outlined on the [GMS website](#).
